I hope to see everyone at the Glow Ring Sales on June 28, contact Ian for more details.

Please ask you friends to join our chapter we are always in need of new members we currently need 6 to be growth for the 2nd quarter.

I look forward to seeing you at an upcoming project or meeting, come out and enjoy spending time with your Jaycee Family!

We have a couple of fundraisers that we will need your help at this month the first is our Booze Raffle tickets are only \$5 each or 3 for \$10. If you would like tickets or can help sell them please contact Julie Denning at 241-8395 or Julie.denning@ymail.com Also, we have Glow Ring Sales we still plan to sell during the Bases Fireworks, we do not know yet if we will be in side the gates on if we will be working all of the area outside the gates keep a look out for emails and on facebook for more information.

We are getting ready for Haunted House so please come out and help on Wed nights normally start working

around 6pm. We are also looking for other fundraising ideas, so if you have any I would love to hear about them.

Please come out and help with the above fundraisers, it is these fundraisers that will allow us to keep doing all of the great projects we are known for.

The other way you can help is to send your dues in. When you pay your dues late or do not pay them at all the Chapter still has to send them to the State and National organization and that takes money from our project so get those ASAP!

If you are a chairperson please submit information regarding your project by the first Tuesday of each month for the news letter. It is never to early to start promoting your project. Feel free to also send thank you's, or shout outs to other members. Or even congratulations etc...

Julie Denning - Treasurer Corner**DUES ARE NOT AN OPTION THEY MUST BE PAID TO KEEP YOUR MEMBERSHIP STATUS!
Please make arraignments today to get yours paid!!!**

We are already into the 4 month of the year and we are still trying to get dues payments in. Our chapter dues are only \$40 per member (renewals or new members) This is much lower than most other organizations similar to us. It is vital that dues payment are made on time in order to keep you membership in tack. We will not be renewing those who do not at least get set up on a payment plan for their dues this year. Also, if your dues are not paid by Oct 15 in full for the 2013 you will not be eligible for

shirts/jackets etc. from haunted house. Also keep in mind if your dues are not paid and we are unable to renew you due to non payment you may have to re-join before you can guide during haunted

house. This is why it is important to just take care of this now. We are trying to get all members being due at the beginning of the year to make it easier on you and the board. Please send in your dues ASAP for 2013 and if you did not pay in 2012 please pay those as well.

We Believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.
