Presidents Corner

Hello Riverside Jaycess we are fast approaching St. Patty's Day at Harrgians we need more people to sign up to help please get with Julie Denning. This is a great event to come out to and if you have friends bring

them to just remember that they must be 18 years or older. Please come help make this another successful year at Harrgians.

This time last year we were working down at the haunted house. Once it starts

to warm up we will start working down there. Stay warm everyone!

It is important that we continue to bring new friends into our chapter. If you know anyone between 18-41 ask them to become a Riverside Jaycee! Dues are currently only \$40 a year however it is possible that that will change because the Ohio Jaycees did raise the state dues at the first of the year

**SUCCESS JUST DOESN'T
COME AND FIND YOU, YOU
HAVE TO GO OUT AND FIND
IT!!**

Sincerely,
Ian Bradley

Management Area!

Hello all it's me again, your management vice president. The upcoming months in management are a little slow but don't worry we will be picking up speed all to soon. The first thing on our agenda is going over previously done projects. We just wrapped up our Valentine's Day Fundraiser in the few weeks that have passed. Thank you to all who could come out and join in our delivering flowers. Now on to more upcoming events in the management field. We currently have Harrigans coming up this month on the 17th. If

you've never been to Harrigans with us before it's a great time to come and join. We work as a lot of different things here, ticket booth, back door, front door, tent. We even hold our own little fundraiser along with this to coincide with the holiday, given permission by the owner of course. We set up our own little raffle so we will need all kinds of people to help with this project. It's a fun amazing little project that we do and if you don't believe me why not come join us, the more the merrier. On a final note for all

of you who do not know we have roughly 208 days left until the Haunted House opens back up. Remember we can always use help getting everything cleaned and set up for this next year of scares so get a hold of your chapter to figure out when we will start to do a little work. Until next time I hope yall have a wonderful month and I hope to see yall at a meeting or event.

Hope to see you soon

We Believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;
